Welcome to Seville

In Seville, the CAiSE conference blends tradition with innovation. Here, we'll explore the latest technological advancements and forward-thinking solutions, delving into the future of Information Systems Engineering. Seville, with its rich heritage, is a center of culture, science, and business. The city's iconic landmarks, from the stunning Alcázar to the majestic Cathedral and Giralda, offer a captivating backdrop for inspiration. Seville also entices art lovers with its renowned flamenco scene, museums, and galleries that celebrate its dynamic and storied past.

Benefits of Sponsorship

- Maximum exposure in the rapidly growing discipline of process science
- An opportunity to build and reinforce strategic relations within the CAiSE Community
- A cost-effective way to strengthen and build brand awareness among a relevant audience
- Enhanced marketing opportunities, including visibility on the conference website and related promotional materials
- Access to a broad network of industrial partners, researchers and government officials
- Recruitment opportunities by networking with top talent including PhD students, postdocs, and other professionals
